FEATURES

- **Adjustable Trolli** is available in three sizes.
- **Frame:** light and umbrella folding system, in aluminium. It is painted with non-toxic epoxy powders. When folded Adjustable Trolli is compact and it allows you to carry it as if it was a travel trolley.
- **Headrest** adjustable in height, tilt and backward-forward. It closed with the stroller, there is no need to remove it.
- **Push handles** with **manual and parking brakes**.
- Resistant and durable **Backrest** guaranteed by the cross on the back. Reclinable on three positions and easily adjustable in height.
- Slightly tilted **Seat**. It is adjustable in depth and width thanks to padded pelvic side supports (additional components 958). The cross below ensures stability, comfort and durability.
- Extremely breathable **Upholstery** (not removable). It is resistant and easily washable. **Fire Retardant** according to *EN 1021-1:2014 and EN 1021-2:2014*.
- User manual **Bag** and wrench on the back of the backrest.
- **Legrest** adjustable in height. Elevatable and swivel **Footrests**, without encumbrance.
- **Front** solid swiveling **Wheels** 17 cm (7 in) for size 36 and 40; 20 cm (8 in) for size 43.
- **Rear** solid **Wheels** with **independent drum brakes**, 25 cm (10 in). for size 36 and 40; 30 cm (12 in) for size 43. **Overcoming step bar** on both wheels.
